

Spartan Chemical Company, Inc.

## Letter of Continuing Guaranty: CARBON & GREASE REMOVER (**Aerosol**)

Spartan Chemical Company, Inc., as the manufacturer of Carbon & Grease Remover (Aerosol), guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

### Oven & Grill Cleaner (Aerosol):

- Complies with the Federal Food, Drug and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "A8" "Degreaser or carbon remover for food cooking or smoking equipment, utensils, or other associated surfaces".
- Chemical evaluation and/or preservative challenge testing ensures product stability against microbial contamination (21 CFR §117.35 compliance).

Before using Carbon & Grease Remover (Aerosol), food products and packaging materials must be removed from the area or carefully protected. After using this product, surfaces must be thoroughly rinsed with potabl water.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.

Food processing facilities must validate their processes and procedures to ensure compliance with applicable regulations.

SPARTAN CHEMICAL COMPANY, INC.
