

Spartan Chemical Company, Inc.

## Letter of Continuing Guaranty: FOAMY Q & A

Spartan Chemical Company, Inc. is the manufacturer of Foamy Q & A. This letter certifies that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed in this letter. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Foamy Q & A is a ready-to-use, acid-based disinfectant with special foaming action for fast and efficient maintenance of shower rooms, restrooms, locker rooms and other areas. Suitable for the Bloodborne Pathogen Standard, Foamy Q & A is a hospital grade, one step cleaner and disinfectant. Simply foam on, agitate and rinse away.

### Foamy Q & A:

- Conforms to Food Safety and Inspection Service (FSIS)'s "**Sanitation Performance Standards Compliance Guide**"
- Meets the profile of USDA's former "C1" rating: "Compounds for use on all surfaces in inedible product processing areas, non-processing areas, and/or exterior areas".

Foamy Q & A must be used in a manner that its fragrance does not penetrate food processing areas, possibly covering up poor sanitation. Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.
