

Spartan Chemical Company, Inc.

Letter of Continuing Guaranty: HALT 5

Spartan Chemical Company, Inc., as the manufacturer of Halt 5, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed below. When used in this manner this product will not adulterate food product or create unsanitary conditions.

Halt 5:

- Is registered with the US EPA as a hard surface disinfectant cleaner under EPA Registration Number 6836-363-5741.
- Complies with Federal Food, Drug, and Cosmetic Act.
Conforms to Food Safety and Inspection Service (FSIS)'s **"Sanitation Performance Standards Compliance Guide"**
- Meets the profile of USDA's former "C1" rating "Compounds for use on surfaces in inedible product processing areas, non-processing areas, and/or exterior areas".
- Chemical evaluation and/or preservative challenge testing ensures product stability against microbial contamination (21 CFR §117.35 compliance).

Halt 5 must be used in a manner that its fragrance does not penetrate food processing areas, possibly covering up poor sanitation. Permission for the use of this compound on loading docks and other similar areas is left to the discretion of the inspector in charge of the establishment.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.

Food processing facilities must validate their processes and procedures to ensure compliance with applicable regulations.
