

Spartan Chemical Company, Inc.

## Letter of Continuing Guaranty: PROFECT 256 SUPER HDQ

Spartan Chemical Company, Inc., as the manufacturer of Profect 256 Super HDQ, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed below. When used in this manner this product will not adulterate food product or create unsanitary conditions.

### Profect 256 Super HDQ:

- Is registered with the US EPA as a hard surface disinfectant cleaner under EPA Registration Number 5741-32.
- Complies with Federal Food, Drug, and Cosmetic Act.  
Conforms to Food Safety and Inspection Service (FSIS)'s **"Sanitation Performance Standards Compliance Guide"**
- Meets the profile of USDA's former "C1" rating "Compounds for use on surfaces in inedible product processing areas, non-processing areas, and/or exterior areas".
- Chemical evaluation and/or preservative challenge testing ensures product stability against microbial contamination (21 CFR §117.35 compliance).

Profect 256 Super HDQ must be used in a manner that its fragrance does not penetrate food processing areas, possibly covering up poor sanitation.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.

Food processing facilities must validate their processes and procedures to ensure compliance with applicable regulations.
