## Letter of Continuing Guaranty: Straight Seal

Spartan Chemical Company, Inc., as the manufacturer of Straight Seal, guarantees that this product is safe and effective for use in food processing plants, including USDA inspected facilities, when used as directed on the product labeling and as directed below. When used in this manner this product will not adulterate food product or create unsanitary conditions.

**Do not use this product in food processing areas of a federally inspected plant.**

Straight Seal is the type of product described in the USDA's Guidelines for Authorization of Compounds to be used in Meat and Poultry Plants (AH-562), Section 2.3 - "Compounds Used in Offices and Other Similar Non-Processing Areas" ... "Compounds such as ... floor finishes and waxes, wax strippers, rug or upholstery shampoos or cleaners...Require no evaluation or authorization by USDA prior to use in such areas. They may not be used in any processing area of a federally inspected plant".

Straight Seal must not be used to mask odors resulting from unsanitary conditions. It must be used in a manner which prevents penetration of any characteristic odor or fragrance into edible product areas.

Carefully read and follow all statements on the labeling and Safety Data Sheet while using this product.

Food processing facilities must validate their processes and procedures to ensure compliance with applicable regulations.
